Sir:

The above-noted application was finally rejected in an Office Action dated January 30, 2003. A Notice of Appeal was timely filed and received in the Patent Office on June 25, 2003. Subsequently, an Appeal Brief, a Corrected Appeal Brief and a Second Corrected Brief on Appeal were filed. An Examiner's Answer, mailed January 19, 2005 has been received by Applicants.

Applicants respectfully submit that entry of the amendments proposed herein is proper, under 37 CFR § 1.116, because the claim amendments have been prepared with the express purpose of reducing the number of issues on Appeal. Appellants thank the Examiner for the courtesy of a teleconference on March 1, 2005 in which she agreed that the amendment is proper and will

limit the issues on appeal. For reasons set forth above, and in view of the following remarks, Applicants respectfully request entry of the amendments proposed herein under 37 CFR § 1.116.

Amendments to the Claims are reflected in the **Listing of Claims** which begins on page 2 of this paper.

Remarks begin on page 7 of this paper.
